

AFFINITY ESPORTS

We Are Affinity Esports and we are on a mission to create safe spaces for happier and healthier gaming experiences.

Through our recreational programs, your children are introduced to the world of esports, full of new and emerging career paths, experiential learning, and highly engaging social activities. Each of these programs has been structured to reinforce critical life skills, such as teamwork, communication, and problem solving. Through their time with us, we will guide your children to build healthy habits and harness their passion with an extreme commitment to balancing wellness, education, mentality, competition, and socialization. Esports have been linked to powerful outcomes, such as improved social and emotional skills, problem solving, future career viability, and academic performance.

Testimonials

“Great program - I am so pleasantly surprised. They teach kids how to game healthfully (ie. importance of taking frequent breaks, good sportsmanship, teamwork).” - Desiree (Parent)

“This format is a great concept for kids who like to game. The owner has created a positive and fun atmosphere for students to learn and practice strategy as well as teamwork. We will be back for more!” - Corina (Parent)

“I really enjoyed the camp. Thank you for teaching me about a game I did not know how to play. Everyone here is friendly and nice. Thanks for the great time.” - Trace (Participant/Child)
